TBK - BLACK

IT

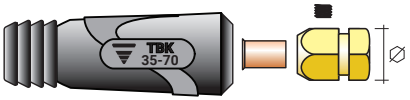

Connettore presa per giunzione cavi di saldatura, corpo in ottone, rivestimento isolante in materiale elastomerizzato resistente al calore e all'umidità con resistenza di isolamento superiore a 2MOhm.

EN

Socket connector for welding cables; brass body, heat and humidity resistant elastomerized material insulation (insulation resistance greater than 2MOhm).

trafimet

CE **EN 60974-12**
